**Every family deserves a safe
place to sleep**

4 families in Hopton and Badulla received essential home safety improvements, helping to make their homes safer and more secure.

Safe sanitation begins at home.

3 families across Hopton, Kalbok and Gonagala received newly constructed toilet facilities this month - improving hygiene, safety and dignity for 15 people.

No elder should face hunger alone

Essential dry food supplies reached 100 elders and families across Manthai East, Nedunkeny, Madhu and Nanattan, supporting 133 people with little or no outside assistance.

When families have nothing, we show up

95 families across Moragalla, Hopton, Madhu, Nedunkeny and the north received emergency dry food packs - reaching 290 vulnerable people struggling to meet their daily needs.

Every child deserves to stay in school

229 children at schools in Badulla and Namakal received jerseys and essential items to help them attend school more regularly through Sri Lanka's cooler months.

Healing needs someone who shows up

Across Badulla district, 117 people received counselling and psychosocial support through our ongoing programme, helping communities continue their recovery.

The background image shows four children sitting on a blue patterned mat outdoors. From left to right: a boy in a maroon shirt and white pants plays a violin; a boy in a maroon shirt and white pants plays a flute; a girl in a pink and orange sari plays a violin; and a boy in a maroon shirt plays a keyboard instrument. In the bottom right corner, another boy is partially visible, playing a mridangam. They are positioned in front of a lush green hedge with red and yellow flowers. A building with wooden-framed windows is visible in the background.

Art builds what hardship tries to take

Our Kilinochchi centre recorded 320 student attendances across dance, music, violin, mridangam and tabla, with creativity and expression encouraged every week.

MAY 2026 | VOCATIONAL TRAINING

Skills that last longer than any crisis

20 women are currently enrolled in Aari work and beautician training at our Kilinochchi centre - building skills for real income and long-term independence.

Every child deserves a space to grow

66 children received 166 therapy and learning support sessions at our Kilinochchi centre - including physiotherapy, speech and language therapy, art, group activities and student engagement

Discipline, strength and somewhere to belong

30 students took part in karate activities at our Kilinochchi centre - building focus, confidence and physical wellbeing every week.
