TRANSFORMING LIVES THROUGH DEDICATED PROJECTS

Although Serendip runs some long standing projects we are always looking for new schemes to support. These are just some of our latest initiatives.

BUILDING ROOFS, BUILDING HOPE

In the picturesque but challenging terrains of Sri Lanka's 'hill country', many Indian Tamil descendants from over 200 years, endure harsh conditions and live within barely liveable homes. Last year, we launched a vital initiative, replacing over 50 worn-out roofs for small houses and line houses across three districts. The difference is palpable, yet our task is far from complete. Each additional roof brings us one step closer to permanently altering lives. Consider offering your support to continue this transformative work.

WATER WONDERS

Our innovative water project channels spring water from mountain sources directly to communities. By constructing pipelines and storage tanks, we're bringing a sustainable water supply to multiple villages in the 'hill country'. This not only improves daily life but also health outcomes. Your financial help can significantly boost our efforts to expand this project.

SUSTENANCE FOR THE ELDERLY

In the northern districts of Sri Lanka, where resources are scarce, over 300 elders face daily hardships with minimal sustenance. Through our provision project, we distribute essential dry food bi-monthly, aiming to alleviate their struggle. Your contributions ensure that we can continue to offer this lifeline to those who once nurtured our communities.

EMPOWERING YOUNG WOMEN

Empowerment comes through education. Our vocational courses offer young women the skills needed to secure a viable income, culminating in assessments that can lead to national NVQ certificates. By supporting this initiative, you help us equip these aspiring professionals with the tools for economic independence.

ENHANCING LIVES

At our Centre in Kilinochchi, we collaborate with local hospitals to provide comprehensive care and education for children with autism and other neurodevelopmental delays. From therapies to learning activities, our program is designed to improve their daily functionality and overall quality of life. Join us in expanding these crucial services.

CELEBRATING 15 YEARS OF IMPACT

This year marks a significant milestone for Serendip as we celebrate our 15th anniversary. Over the past decade and a half, we have touched the lives of more than 15,000 individuals & communities, bringing tangible improvements and hope to those in need. As we reflect on our achievements, we are inspired to continue and expand our efforts, ensuring that we reach even more people who rely on our support. Join us as we forge ahead, committed to enhancing the lives of those who need it most.
